General Election November 3

LONG BALLOT FACES VOTERS ON NOV. 3rd

Six Parties Ask the Voters for Their Support of Presidential Electors on Ballots

AMENDMENTS UP

Interest Is Increasing In Election as Voting Day Approaches in Randall County

The general election will be held next Tuesday, Nov. 3. The polls will open at 8:00 o'clock in the morning and will close at 7:00 o'clock in the evening.

Interest in the election seemed to have increased during the past week in Randall county with the result that a larger vote than at first estimated will be cast. All qualified voters are urged to take the necessary time to go to the polls next Tuesday and cast their ballots.

The election ballots are the largest that have ever been printed in Texas. The size of the sheet is 19x24 inches. The ballot is reduced in size and printed in this edition of The News in order that voters have an opportunity to study the ballots before going to the polls.

Electors for six political parties are printed on the ballots; Democratic, Republican, Socialist, Communist, Union, and Prohibition. The ballots have eight columns. One is given to Independent candidates, but none have filed for election in Randall county, and the last column has no heading. Under this column the names of candidates may be written to oppose any of the candidates.

The Republicans and Socialists have almost complete state tickets. The Communists have several candidates for state office.

The Republican and Union parties have entered candidates against Congressman Marvin Jones,

Man Burned To Crisp; Overturned Car Is Found

New Mexico Car Found Last Night Northeast of City; Officers Are on Search

A man was found burned to a crisp at 9:00 o'clock last night one mile south of the A. W. SoRelle farm. A. E. Wesley found the overturned car and telephoned Sheriff Bob Barnett.

The car is a 1929 Ford with New Mexico license No. 69866. No identification could be found on the body, as everything about the car was burned.

It is reported that the car was seen at St. Francis yesterday with two men and two women in the car.

It is reported this morning that a witness has been found claiming that one of the men was shot.

The body was brought to Canyon last night by the Griggs-Thompson Funeral Home.

Sheriff Bob Barnett and deputies are working on the case this morning, joined by officers in surrounding counties.

STATE SENDS $3.00 OF APPORTIONMENT FOR YEAR

The state has issued checks for $3.00 of the 1936-37 school apportionment. This is the first money received for the new school year out of the $19 which has been set aside for the schools.

W. T. BUFFS HOLD STATE TITLE

Only Team that Remains Undefeated or Not Tied In State Is West Texas Buffaloes

LOBOS ARE TOUGH

Homecoming Game Saturday Is Expected To Be Best Seen on Local Grounds

The Buffaloes are on a hot spot and the husky West Texas State boys know where they are sitting better than anyone else.

Six straight victories leave the Buffs on top of the football pinacle of the Southwest, with no defeats and no tie games this season.

The result—quite naturally the team which whips the Buffs will take great credit unto themselves, and the eyes of the football fans will be focused in their direction.

Sul Ross is coming Saturday.

The Buffs journeyed down to Alpine last year and smeared a beautiful Homecoming for the Lobos.

Lobos Are Strong

The Lobos are coming Saturday determined to spoil the Buffs' Homecoming and to topple the Buffs out of the clean record column which the team has maintained this season.

Bob Cox went down to see the Lobos perform against the Miners last Saturday. He brings back a sorrowful tale of woe. The Loboes are big and husky, and they are fast and a fighting crew.

"It is going to be a tough game," admitted Coach Al Baggett, yesterday.

"The boys are going to have to put everything they have into this game," stated Baggett, as he mapped out his campaign of attack.

Homecoming Event

Hundreds of West Texas exes are coming back home to see the powerful Buffs in action.

It has been a long time since W. T. Homecomers witnessed a Buffalo victory on this important day. They shall be disappointed if the Buffs do not keep the record clean. They do not wish to see

Snow And Rain But No Freeze Of Consequence

Five Inches of Snow on Thursday; Rain Saturday; Row Crop Is Yet Unhurt

Nearly five inches of snow fell in Canyon last Thursday after The News had gone to press. The moisture from the snow amounted to .25 of an inch.

Rain came early Sunday morning adding .20 of an inch moisture.

The temperature dropped to 31 degrees above zero Monday morning and to 32 degrees Monday night. The slight freeze seemed to do very little damage.

Farmers who have been in Canyon the past few days state that in spite of low temperature the feed crop seems to have escaped without serious damage. Many farmers state that gardens have not been damaged by the frost, while others state that tender vegetation is killed, or badly damaged.

To escape a hard freeze at this time of the year with moisture falling on three days seems almost like a miracle.

Farmers state that if the weather will remain open for about two weeks it will mean thousands of dollars to the county as all of the feed crop can be saved.

Wheat is getting the best fall growth that it has had in years, according to those who have been over the county. The early planted wheat now has the ground well covered, and the late wheat is all up and growing rapidly.

Barracks at Palo Duro Park Are Being Remodeled

Work was started Tuesday by a crew of Canyon carpenters remodeling the barracks at the Palo Duro State Park. George Small is foreman of the workmen.

A contract was let Monday to the Burrow Lumber Co., for materials to do this work.

Word was definitely received yesterday that the CCC Company now located at Bonham will be moved here, arriving on the 15th of November.

Supt. Wm. Anderson has received instructions to raze all of the barracks at the Palo Duro which are not in use after the new company arrives. The lumber will be divided between the army and the National Park Service for use in the various camps in this section.

Dr. and Mrs. E. A. Baggett of Hot Springs, Ark., are visiting at the home of their son, Coach Al Baggett.

Business Houses Talk Closing for Homecoming Game

Many business houses plan to close Saturday afternoon from 2:00 to 5:00 for the Homecoming football game.

Firms were canvassed yesterday and practically half of those seen expressed a desire to close during the football game. Others believed it to be impossible to close on Saturday, especially in view of the fact that regular Cash Distribution is held at 3:00 o'clock on Saturday.

Business firms are requested to release as many clerks as possible from 2:00 to 5:00 in order that they may see the game.

The First National Bank will close at 12 o'clock and will not open during the afternoon.

Annual Red Cross Roll Call To Be Held in November

Mrs. Ray Campbell Is Named Roll Call Chairman For Chapter In Randall County

Governor James V. Allred has written Guy Harp, chairman of the Randall County Red Cross Chapter, urging that the people of Randall County support the annual Red Cross Roll Call which will be conducted next month.

Mrs. Ray Campbell has been appointed chairman of the Roll Call, and will organize the county in order that all citizens may be invited to join the annual drive.

The Red Cross has performed such noteable service to the people of Texas that Governor Allred urges that citizens respond to the appeal for funds to carry on the work during the coming year.

A large part of the money collected in the roll call is kept by the local chapter in order to carry on relief work during the winter months. The rest of the fund goes into the general treasury of the organization and is used where there is human suffering, no matter in what form it may be found.

Bonfire Materials Wanted Tonight for Homecoming Event

The College Press Club is sponsoring a bonfire for Friday night, preceding the Homecoming game Saturday.

The boys will work the streets and alleys tonight, and ask all citizens who have barrels, boxes, or other suitable materials which they wish to dispose of in this fire to pile the same in the alleys today.

Mrs. O. W. H. Cook is preparing for a sale of her registered Herefords north of Canyon on Nov. 16.

Wheat Checks For 1936 Arrive Soon

665 Contracts are Passed Which Amount to $187,029; Few Cases Need Revamping

Approvals were received Tuesday from Washington on 665 Randall county AAA wheat contract payments. This is the last payment on the wheat contracts in force when the AAA was terminated on January 6th.

There will be distributed from the county agent's office within the next week or ten days, 1,041 checks on the above 665 cases which were approved, for a total of $187,029.41.

This payment is at the rate of 20.9 cents per bushel on the allotment for each farm. Six cents, or about 2.8 percent of the 21½ cents rate was withheld for expenses of administration. This is about the same cost of administration that has prevailed for the past three years.

There are a few cases of delayed approvals which are expected to be paid later. These include irregular cases such as joint compliances, deceased signors, disputed ownerships and the like.

There are also a few cases that have not been sent to Washington because they could not be finished owing to lack of landlords' signa-

Local Committee On Conservation Work Papers

Work Will Be Submitted To the State Board For Review and Allotment; Payment in Spring

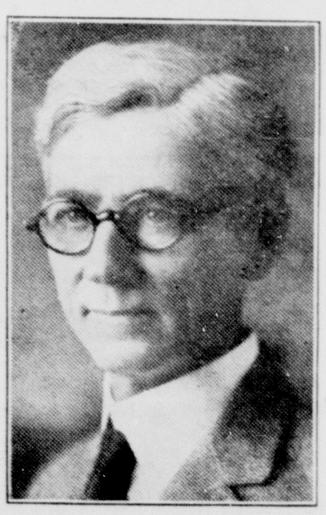
The County Board of the Randall County Agricultural Conservation Association has been in session all this week checking compliance under the new farm program.

Randall county will be given a total allotment by the State Board as soon as the work of the County Board is reviewed by the State office.

For purposes of local administration the County Board is elected by the farmers in each county. In Randall county this board consists of ten men as follows:

R. B. Gist, chairman; J. P. Hix, allotment committee; W. O. Turpin, allotment committee; C. P. Robertson, Ross Craig, John Bedenk, Jeff Wallace, C. B. Erwin, L. B. Hammond, and Geo. E. Mason.

Happy Birthday



PREXY J. A. HILL

President J. A. Hill is finding his birthday celebrated for him today. Students are wearing badges which say "October 29, Prexy Day" and a special assembly this morning was the occasion for a surprise program in honor of the president who has served the college since 1918. The Epsilon Beta, men's organization, initiated the plans for the day.

Charles Donnell of the Class of '35, was master of ceremonies, and expressed in various ways the students' appreciation of Dr. Hill.

J. E. Hill, of Amarillo, represented the State Board of Teachers College Regents on the program, his subject being "History of the Development of the College under

CHAMP CLARK WILL ADDRESS HOMECOMERS

Barbecue To Be Served At Noon; Many Social Events Are Planned for the Day

MANY ARE COMING

Inspection of W. T. Plant Is Planned Under the Direction of Members of Faculty

Saturday will be a big day for Canyon. The College Homecoming festivities begin at nine o'clock, and every person in the town is invited to renew acquaintances of the twenty-six years past and to hear Senator Bennett Champ Clark as guests of the college, to inspect the new buildings on the campus, and to enjoy the barbecue and football game.

"We are all so busy about our daily tasks that we do not have or take time to know each other as well as we should," said President Hill, "so we hope that every ex-student in Canyon, and all the citizens who have worked with the college and with its students, thru the years as well as all the newcomers in the town, and all the citizens of Randall county outside of Canyon will make this 'College Day.'"

Senator Clark Speaks

There is no charge for Senator Clark's address; the barbecue will be only thirty-five cents; the trips over the buildings and grounds will come immediately after the barbecue; there will be escorts so that every visitor can see the things which interests him the most.

It is realized that there will be many people who do not care to

VOTE NEXT TUESDAY

Qualified voters of Randall county are urged to take the necessary time to go to the polls on next Tuesday and cast a ballot in the General Election. So far as the State, County and Precinct officials are concerned, it matters not whether any one goes to the polls, as Texas will go Democratic, and all those named in the primaries will be elected without question.

But it is necessary that Texas voters express their appreciation of President Roosevelt in this election by casting a big vote in his favor. The national administration has been kind to Texas. Voters should take the little time necessary to go to the polls ond express by their approval of the Democratic electors how they feel in their hearts regarding the national administration.

So far as Texas people are concerned, it is more important that they vote upon the six constitutional amendments which are printed at the bottom of the ballots. These amendments make material changes in the constitutional government of Texas, and it is the sacred duty of each and every voter to express his approval or disapproval of these amendments.

In a review of these amendments three weeks ago, The News expressed opposition to the first amendment, and approval of the other five. It seems from reading the newspapers that this is about the way all newspapers in the state have taken a stand.

The first amendment would put the state in the liquor business by establishing state-owned stores for dispensing liquor. Both prohibitionists and antis have taken a stand against this amendment. It will be defeated.

The second amendment would create a retirement fund for teachers after they have served for 20 years and paid a regular percent of their salary into the fund. It is a sound step for the future of the state.

The third amendment would make provision for Workmen's Compensation for employees of the State. The State now requires private individuals and all corporations to provide this insurance, but has never made provisions for its own employees. This is a ridiculous situation indeed, and the amendment should be adopted.

The fourth amendment would change the system of pardons and paroles, taking away much of the present power of the Governor and vesting it in a board. Governor Allred has urged the people to support this amendment. Other governors have asked to be relieved by the great burden that is imposed upon the Governor, especially when a prisoner is to be executed.

The fifth amendment would raise the salaries of the Governor, the Attorney General , Comptroller, State Treasurer, Land Commissioner, and Secretary of State. These offices pay too little money in comparison with the great responsibilities imposed upon the officials by the people of the state. The increases of these six salaries will not cost the taxpayers much.

The sixth amendment would place a limit upon the number of state representatives any county may have. If the population of Houston, Dallas, San Antonio, Fort Worth and three or four more of the largest cities of Texas continue to increase, it will not be a decade before these large centers will control the legislature. This would be unjust, and should be remedied in this election. Voters of Randall county should join the voters in the smaller counties in approving this amendment.

James E. Ferguson has sent out hundreds of letters expressing approval of all the amendments, excepting the first one relating to liquor.

Governor Allred and many other public officials are supporting all but the liquor amendment.

The liquor amendment seems to have no friends, but it would be very unfortunate that should the unpopularity of this amendment cause the defeat of the other five, which are good and necessary.

Go to the polls next Tuesday and vote.

ROOSEVELT WILL WIN

The News has printed much political news and many editorials during the present campaign out of sincere appreciation for what President Roosevelt has done during his first term in office. We are firmly convinced that the timely program of the President in 1933 saved this nation from bankruptcy—financially, morally and spiritually. We feel extremely grateful to the President for what he has done for Randall county, as we are convinced that had it not been for the aid given the farmers of this county half of the farmers would have been forced from their homes.

It is a most ungrateful individual who will not rally to the support of his friend. We look upon the President as a real friend to the masses of this nation.

After reading newspapers, editorials and reviews of special writers who have written about the campaign from a national standpoint, The News is firmly convinced that the President will be re-elected. It looks like an overwhelming victory. Perhaps the margin will not be so great as the figures really indicate, but the election may be called safe if the friends of President Roosevelt do their part next Tuesday.

The News does not place Roosevelt upon a throne and worship at his feet. We admit the mistakes which have been made during the past four years, but ask who would not have made mistakes had they been entrusted with the responsibilities of office during these trying times? We believe that the President has had a chance to view the mistakes during the present campaign; that they have been sufficiently aired by the Republicans that a general house-cleaning will take place in Washington starting next Wednesday morning, and that the political picture will be materially changed during the coming few months.

The Republicans started the campaign in a most half-hearted manner. They had no confidence in the ticket; no confidence in their platform; nothing to offer but a promise to upset everything that Roosevelt had accomplished for the nation. Governor Landon is a good man, void of personality, with no national background, without a radio voice, with the wrong kind of backers. The DuPonts, Wall Street, Al Smith, Liberty Leaguers, et al, were a distinct liability to the Governor in his race.

Dissention in the Democratic camp has been the greatest handicap to the President. The News pointed out in May the lack of strong leadership in the middle west, where inexperienced Democrats found themselves elected to office in the Roosevelt landslide of 1932. These inexperienced leaders have bungled the job in many respects, and their record is making it hard on the President in this election.

The lack of leadership in so many of the movements the President started in order to relieve the depression has been a definite handicap. This nation has not trained its national leaders, and when it was necessary to start new movements there were no trained men and women to do these jobs.

But regardless of the mistakes, the good far outweighs the poor or the bad. The nation feels grateful for a leader who was willing to lead during those dark days of national tragedy. The people who have profited are not going to turn down the man who befriended them during those dark days.

A peculiar situation developed in this campaign. Vice President John Garner has always been noted as a conservative, and opposed to public speeches. His silence was interpreted by Republicans as opposition to the New Deal. The noted Texan broke his silence in one national hook-up speech, smashing the whispering campaign, and standing firmly behind the President.

On the other hand we find Colonel Knox carrying the weight of the Republican campaign. Landon makes a poor appeal over the radio. Knox is the better speaker, so he is being used by the national committee. But one speech of Knox's has badly injured the Republican cause. His charge that the banks and insurance companies are unsound has been challenged all over the nation. The hatred of Knox for Roosevelt and everything that Roosevelt has sponsored, caused a temporary loss of memory for the Republican candidate; or he was foolish enough to think that he could cram down the throats of the voters any malicious statements he might conceive. For the first time in 55 years there has not been a single bank failure in 12 months time. Deposits in the banks are as secure as the bonds of the government, because the government insures the deposits. The government likewise oversees the insurance companies. Mr. Knox shows that he is an unsafe candidate when he makes such wild and untrue statements.

The Lemke - Townsend - Coughlin boom is definitely out. Lemke is having a hard time to even get re-elected to congress. Townsend is having plenty of trouble with his own outfit. Windbag Coughlin has definitely lost his grip.

The Wall Street gamblers are not dumb when they place their bets 3 to 1 that Roosevelt will be re-elected.

SENATOR SMALL WINS AGAIN

Senator Clint Small has again demonstrated his great leadership in the Texas Senate, and rendered to the state a service for which all taxpayers should extend him thanks.

Senator Small stepped into the breach when it looked like the called session would be a failure in passing any sort of old-age assistance. He revamped the tax raising bill so that real money will be placed in the state treasury, and at the same time reworded the old age assistance so that those really entitled to this aid may be able to secure it, while those not entitled to old age assistance will be kept off the rolls.

Of course this is not satisfactory to a lot of politicians who have sought to fool the old people into thinking that every person in the state would receive $15 from the state and an additional $15 from the federal government.

The frankness of Clint Small is to be greatly admired. He does not try to fool the people. He does not believe that everyone should receive a pension from the state regardless of their circumstances. He believes that all who are able to support themselves should continue to do so. He believes in supporting the institutions of the state, but is not foolish enough to advocate a bankrupting high tax just to support institutions, or to pay old age assistance.

He has convinced Governor Allred and a majority of the legislature that old age assistance must be limited before the state is bankrupt and taxes are so high that they cannot be paid.

Senator Small has saved the legislature from embarrassing situations many times during the eight years he has served in the Senate. The News has stated many times that no man in the past decade has been so useful to the state as Senator Small. We repeat this assertion without fear of successful contradiction.

PREXY'S GREETINGS TO EX-STUDENTS

Dear Friend "Exy:"

Here we are—all dressed up and going places. You will see evidences today that W. T. is on the way to a bigger and better place in the educational sun. The enlarged program of physical expansion which you rejoice in today is symbolic of the new day just ahead. The West Texas State Teachers College has never been a static institution, though we have had some static around us now and then. Whether the evidence has been apparent or not, growth has been going on constantly, steadily, fundamentally, safely. Ten years ago our plant consisted of seven buildings. Today, we have twelve, counting our cottage group (El Pueblo) and our farm group as one building each. The value of the plant has doubled during the decade and attendance has increased nearly 50 per cent. Considering drought and depression and increased competition, this is an enviable record. Unless hindered by world-wide disturbances, it is safe to predict that another decade will bring equally great advancement. Among the improvements toward which we look and which we must have in the next few years is a great library. We are hoping that the next legislature can be induced to appropriate funds for the erection of a $250,000 building—the most needed improvement on our campus. Then we must have a science building, a student union, a fine arts building, more dormitories, a home economics practice house, a great physical education plant for both men and women, and many other smaller improvements. Barring unforeseen national or international complications, our student body will reach, in the next three years, 1400 in the long session and 1500 in the summer, and there is no telling what the figures will be in ten years.

The expansion of our curriculum to five years, carrying the master's degree; the liberalization of our offerings to include pre-law, pre-medicine, pre-engineering, and at least two years of liberal arts work, together with our four years of business administration, with or without a requirement in Education; the rapid improvement of the faculty in scholarship and teaching skill—these and other factors are certainly creating increased public confidence and a steady growth in patronage. The influence of the institution is gradually reaching further in every direction, and the placement of our products is increasingly easy. All of these significant developments point unmistakably to a greater program and a greater day for your Alma Mater, and we welcome you with the pride of achievement and with happy prospect for the institution which years ago you choose as your educational home.

Sincerely yours,
J. A. HILL, President.

Champ Clark Is Accomplished U. S. Senator

Perhaps no man in national politics today can boast a greater number of notable and diversified accomplishments than U. S. Sen. Bennett Champ Clark of Missouri who is to speak here Saturday.

Son of the famous Champ Clark who was speaker of the U. S. House of Representatives from 1911 to 1919, he is upholding the tradition of his family in Congress. He is a member of the Senate Munitions Committee, and has made notable contributions to munitions legislation.

He was born in Bowling Green, Mo., in 1890, took an A. B. degree from the University of Missouri in 1913, and completed a law degree from the Washington University in 1914.

His first entrance into politics was as parliamentarian for the U. S. House of Representatives while his father was still speaker.

When the United State entered the World War in 1917, Clark chose service at the front lines in preference to an officers training school. At the close of the War two years later, he was Colonel of the General Staff.

Sen. Clark has even ventured into the field of writing, producing two scholarly books, "John Quincy Adams," and "Old Man Eloquent."

Reeves To Attend Biennial Meeting of A.A.U.W. In Dallas

Mrs. T. V. Reeves, head of the Bureau of Public Service, will leave for Dallas Thursday to attend the biennial meeting of the Texas Division of the American Association of University Women.

Mrs. Reeves is a member of the state executive board and is on the program in connection with discussion of "Experiments and Problems in Texas Education." Her part of the panel discussion will deal with "Administrative Problems."

Miss Edna Graham and Miss Florence McMurtry will represent the local chapter of the organization at the meeting.

Reporter's Record Globe-Girdling Trip Visualizes New Travel Era

AROUND the world in less than 18½ days!

When H. R. Ekins, world-roving Scripps-Howard writer, stepped off his plane at Newark airport the other day, he had set just that remarkable new record for travel in ordinary commercial conveyances.

In fact, he had set an even better record if 3½ days he spent in the Philippines, delayed while a howling typhoon raged the Pacific, were deducted.

Ekins left New York Sept. 30 to board the Zeppelin Hindenburg at Lakehurst, N. J. At Frankfort, Germany, he alighted to board a special plane to Vienna, then went to Athens, and was a passenger on the Royal Dutch line to Alexandria, Bagdad, Basra, Jodhpur, Calcutta, Bangkok, Penang, Batavia, North Borneo, and Manila.

At Manila, after several days' delay, due to a severe tropical storm, he boarded the Hawaiian Clipper of Pan American Airways, to make the long flight across the Pacific to San Francisco. Then he jumped to Burbank to board the TWA liner "Sky Chief" for the final hop to New York City.

• • •

EKINS was clocked in at his office in the World Telegram building to record an elapsed time for his trip of 18 days, 14 hours, 56 minutes, 57 seconds. It was a lead of 10,000 miles over two rival reporters who started from New York aboard the Hindenburg with him.

But Ekins was not primarily interested in setting a new speed record for the globe-circling trip, although his time was more than five days under that of Capt. C. B. D. Collyer and Henry Mears in 1928, and under the 21-day Graf Zeppelin flight in 1929.

Ekins spun around the world to demonstrate what is available to anyone today who has the price, the time, and a little ingenuity in making transportation connections.

He drove home the realization that the last link in a chain of airlines around the world—the China Clipper—has brought this feat of globe-circling as close as the nearest transport ticket office.

• • •

IN less than a decade the continents have been linked in a mighty web, invisible but actual, which has curtailed the time of international travel from weeks to days, and made neighbors of the far corners of the earth.

The filaments of this vast network swing over all of Europe,

New York to New York in less than 18½ days is the dramatic story of modern travel told by the map above, showing the route which Reporter H. R. Ekins, right, took on his round the world aerial trip.

down the spine of Africa to Capetown and across Mesopotamia to India, to China, and, at last, across the Timor Sea to Australia, "down under."

Indo-China, the Dutch East Indies, Cape Verde Islands, Alaska, and the far-reaching cities of Soviet Russia have their air communications today. Likewise the storied cities of the East—Bagdad, Delhi, Tashkent.

In the Western hemisphere all Latin America is served today, while Buenos Aires has been brought within five days of New York. And planes fly, too, these days in Canada's Arctic circle.

• • •

FIVE great airlines, exclusive of the major commercial routes within United States, provide the integral links in this world-wide aerial web. They are Pan American Airways, Great Britain's Imperial Airways, Germany's Lufthansa, the Royal Dutch lines and Air France. Together they have knit the world.

Nor is the end in sight. Some day these lines will link California to Australia and New Zealand. And the time is not far distant when a line can be established across the North Atlantic. Preparations looking toward this end have already been made.

Oct. 21 the Clipper ships began their regular trans-Pacific airmail and passenger service. Shortly the line will be extended to Hongkong. Connections are available, even now, however, from Manila.

Giant 40-ton flying boats with space for sleeping passengers will be flying trans-Pacific routes within two years, Juan Trippe, president of Pan American Airways, has predicted Construction of these ships have begun.

• • •

TOMORROW'S aviation progress visualizes whole fleets of these huge air-going liners. Designers are convinced they can build ships which will have promenades, lounges, bathrooms, and even dance floors.

Radio beams will guide them and motors of tremendous power will pull them over oceans, across whole continents.

That is the vision that Ekins' 25,804-mile hop brings close to reality.

Cox's Gridsters to Tackle Sooner Foe at Shamrock

Coach Says Charges In Fine Shape For Battle

Battered about by a superior bunch of Picadors of Texas Tech, Coach Bob Cox's Yearling gridsters undergo their second mettle test of the year by matching their strokes against Altus Junior College on a neutral field at Shamrock tonight.

Although forced inside by inclement weather for the past week, Coach Cox pronounces his invulnerable first year men in condition to handle the burly charges of Coach Windy Nicklaus. Nicklaus formerly coached the Amarillo Junior College Badgers where his record assures Panhandle fans of a smooth and polished machine.

In Butler, McKnight, Mays and Matney, Coach Cox has a running array of classy backs comparable to any in Freshman intercollegiate football. Their aerial assualt failed to click against the Picadors, and Cox has been drilling his passers to strengthen that department. In the forward wall, Kendricks and Capt. Schur at ends, Bunch and Wood at tackles, Miller and Ward at guard and Williams at center will probably get the nod.

News in Canyon 25 Years Ago

(Taken from the files of the Randall County News of Friday, October 27, 1911)

Hereford defeated the normal 5-3 in football.

The normal girls and Goodnight high school will play basketball Friday night.

Miss Emma Razor resigned as head of the art department of the normal, and President R. B. Cousins announced the appointment of Miss Olive M. Denman to this position.

Oscar Hunt, postmaster, announced the opening of the postal savings department in the local office.

The first cotton to be raised in Randall county is reported by P. Friemel of Umbarger. Mr. Friemel planted 15 acres and will make 8 bales of cotton. The cotton was taken to the Hereford gin.

"Edgar Allan Poe excelled as a sprinter, jumper, fencer, boxer, and swimmer." It seems he was also a pretty good writer.

Woods Addresses Students Monday In Called Assembly

Dr. L. A. Woods, State Superintendent of Public Instruction, Austin, addressed West Texas students at a special assembly program Monday morning, giving a comprehensive discussion of the problems facing present day teachers and students.

Dr. Woods, accompanied by W. A. Nelson, college examiner, and J. C. Matthews, curricula director, both of the State Department of Education, was concluding a tour of state colleges, arriving in Canyon Monday after visiting state colleges in Huntsville, Nacogdoches, Commerce and Denton. His itinerary will also include Lubbock and El Paso.

The visiting speakers, with J. W. Gunstream, Deputy State Superintendent recently stationed at W. T., were introduced by Dr. J. A. Hill, president of the College.

Dr. Woods, in his address at the auditorium, touched on a number of problems now before the Texas schools. He emphasized the necessity for training teachers to teach in the elementary grades, pointing out that Texas high schools are able to absorb only a small percentage of the teachers trained for this department.

"High school teachers are not trained to teach in the grades," Dr. Woods pointed out. "Music, art, and physical education must be a part of the elementary teacher's training," he stated.

"The present trend is toward a single salary schedule," Woods stated, in discussing the tendency to train teachers for high school rather than elementary school work.

No man ever climbs so high that he is above suspicion.

Jowell Items

Scoring of cakes was the main attraction at the Women's Home Demonstration Club last Wednesday. The club was held at the home of Mrs. Garvin. Those present were, the president, Mrs. Burtz, Mrs. Earl Davis, Mrs. Irvin Doss, Mrs. T. J. Bonds, Mrs. Doyle Hooten, and the hostess, Mrs. Garvin.

Due to the conditions of the weather, there was no Sunday School, Sunday.

We are very sorry to report that Mrs. Irvin Doss took suddenly ill last Wednesday evening, and was operated upon at the St. Anthony hospital in Amarillo that night.

There were several families in the Jowell community who attended the Happy and Hereford football game Friday.

Mr. and Mrs. Doyle Hooten were guests in the Livesay home Saturday afternoon.

Mr. and Mrs. Ira Scott were dinner guests in the home of Mr. and Mrs. I. W. Scott in Canyon, Sunday.

Mr. and Mrs. Sims and family have moved back to their former home in Plainview.

Mr. and Mrs. O. M. Scott are adding some new improvements to their home.

Highland News

Despite our Christmas weather last week, not a great deal of snow fell, but this week is starting out cold, cloudy and dark. That makes us feel that more rain or snow will fall this week. Most of the wheat in this community has been sowed and is up.

It looked as though the whole community went to Amarillo last Saturday; the Sharps, Bedenks, Masons, Bolings and Fuquas were all seen on Polk Street.

Mrs. Joe Bedenk and children visited in the Fuqua home Sunday evening.

Jack Cage and Bill Shea spent several days with their folks in Amarillo last week.

The house warming of the Home Economics department of the Wildorado school was not held last Friday night on account of bad weather. The Fuqua family went up to attend, but spent the evening visiting the Elam family.

Be sure and attend the Carnival at the Bushland and Wildorado schools this Friday and Saturday nights.

DINNER PARTY FOR BRIDAL PAIR SUNDAY

Honoring Mr. and Mrs. Jim Babcock, of Pampa who were married Oct. 18, Mr. and Mrs. D. N. Blanton were host and hostess at a large dinner party Sunday. Mrs. Babcock is a grand-daughter of the Blantons, and a daughter of Mr. and Mrs. C. S. Jones.

The center piece for the dining table was a large tiered wedding cake topped with small bride and groom figures.

Following the delicious dinner many beautiful gifts were opened by the bride. A large bouquet of lavender, white, and yellow chrysanthemums were presented the honoree as a gift from her grandparents.

Present for the occasion were: Mr. and Mrs. Babcock, Mr. and Mrs. S. C. Jones, Doran and Jerry, Mr. and Mrs. M. J. Babcock, Bobby, Bud and Zoah Mae of Pampa; Mr. and Mrs. R. G. Help Keep Canyon Clean!

REPORT FROM H. D. COUNCIL SATURDAY

Gardening and improved kitchens will be the demonstration featured in Randall county home demonstration work in 1937. This was decided by a ballot of clubs taken by the County Home Demonstration Council at the regular October meeting held at the court house Saturday afternoon.

Mrs. A. E. Wise, chairman of the year book committee, was instructed to meet Nov. 7 in the county home agent's office to prepare a year book program for the clubs. These are to be printed and distributed to every club member in the county.

Officers serving the past year were re-elected for another year. Mrs. R. B. Gist, chairman; Mrs. B. E. McCormick, vice chairman; and Mrs. Henry Ratjen, secretary and treasurer.

Miss Ruby Mashburn, district agent, and Mrs. Minnie Fisher Cunningham, Extension Editor from College Station, were guests at the meeting.

Ten of the twelve clubs were represented in the meeting by an attendance of twenty-one.

GOOD ATTENDANCE AT LODGE MEETING

All officers were present Tuesday evening for the meeting of the Canyon Rebekah Lodge 350. The routine order of business was transacted with reports of committees being disussed.

Hostesses during the social hour which followed were Mrs. Dollie Taylor and Mrs. Ola Ridgeway. Refreshments of doughnuts and coffee were served.

Present were Mrs. Winnie Gibbs, Mrs. Nora Hart, Mrs. Minnie Laughery, Mrs. Margaret Cole, Mrs. Winnie Loudder, Mrs. Teresa Patterson, Mrs. Nannie Myers, Mrs. Myrtle Stratton, Mrs. Lillian Tate, Mrs. Nora Peters, Mrs. Myrtle Wester, Mrs. Pinkie McBride, Mrs. Dollie Taylor, Mrs. Ridgeway, Miss Columbia Redfearn, Miss Maye Warren, and A. K. McBride.

GONDA BIGGERS GIVEN BIRTHDAY DINNER

Wise, Mrs. Henry Ratjen, Mrs. S. L. Robinson, Mrs. Glenn Dowlen, Mrs. R. B. Gist, Mrs. Otto Lehnick, Miss Lois Moreman, and the hostess.

CAKE SCORING AND TEA HELD BY CLUB WOMEN

A county wide cake scoring followed by a tea was sponsored by the Home Demonstration Clubs of Randall county at the Legion Hall last Friday.

In the forenoon, Miss Lula M. Dilworth, food preparation specialist of College Station, scored cakes of the various club demonstrators. From the eleven cakes entered in this group, nine of them were standardized.

Beginning at 1:30 o'clock, Miss Dilworth scored twenty-four angel food cakes, four chocolate cakes, eight sponge cakes and fourteen butter cakes, belonging to the co-operators. Thirty-four of these cakes reached standardization.

Immediately following the scoring a tea was given for a large group of visitors and special guests. Miss Ruby Mashburn, district agent, and Mrs. Julia Kelly, home agent of Gray county were among those present.

A vote of thanks was extended the business firms and organizations of Canyon, who helped make the affair a success.

YOUNG FOLKS ENJOY HALLOWE'EN PARTY

Twenty-three members of the Pioneer C. E. and Junior Choir of the Presbyterian Church enjoyed a Hallowe'en party last Monday night.

Beginning with a long hike and spook stories, and ending with delightful refreshments, every moment was filled with hilarious entertainment.

The sponsors are Mrs. A. B. Brown and Mrs. J. D. Barker.

MRS. L. G. CONNER IS HONORED BY OLD TIMERS

The Pioneer Club of Canyon and vicinity met last Thursday afternoon in the Legion Hall with Mrs. L. G. Conner as honor guest.

The club has no purpose in existing other than keeping alive the days of yore with its fun and pleasures by the reunion of friends and acquaintances.

An entertaining program was given during the afternoon, which included the following numbers: "Auld Lang Syne" sung by the entire assembly; an accordian solo by Mrs. W. E. Laughery; "The Old Photograph Album" by Mrs. E. H. Porter; "The Old Spinning Wheel" by little Miss Sallie Maxwell; music by the Novelty Band; The coming of Mrs. McGuffie and ten children arriving to attend the singing school; Judge L. Gough of Amarillo told of a few of his cowboy and early day experiences. The grand finale on the program was "Madame Sousa Brown's Band."

Delightful refreshments of sandwiches, ginger bread and coffee were served to those present.

Those attending from out of town were Mr. and Mrs. L. Gough and Mrs. C. G. Landis of Amarillo.

BEAUTIFUL TEA GIVEN AT COUSINS THURSDAY

Approximately 200 guests called Thursday afternoon between 3:30 and 5:30 o'clock when a group of college teachers entertained with a beautiful appointed tea at Cousins Hall.

In the receiving line were Misses Jennie C. Ritchie, Mary M. Brown, Hattie M. Anderson, Isabel Robinson, and Mrs. T. V. Reeves. Assisting the hostesses in receiving and entertaining the guests were Misses Helen Boswell, Ruby Lee McMillan, Inez Parker and Lucille Persons.

Seated at the lace covered tea table, centered with a lovely arrangement of fall flowers, were Mrs. R. A. Neblett, and Miss Margaret Wiley, Miss Helen White Moore, and Mrs. Irby Carruth, who presided at the tea service at different intervals during the afternoon. Dainty sandwiches, cookies, and sugared raisins were served.

Guests were privileged to inspect beautiful Cousins Hall during the afternoon.

MRS. PRESLEY ENTERTAINS CLUB THURSDAY

A pleasant occasion was given guests of Mrs. C. M. Presley last Thursday afternoon when she entertained the As You Like It Club at her home 1809 Fourth Avenue.

A beautiful assortment of fall flowers were used for room decorations in contrast to the gorgeous snow laden shrubs and trees on the outside. Tallies suggestive of Hallowe'en were used for bridge.

Delicious pumpkin pie frosted with whipped cream, and coffee, was served to Mrs. C. M. Dowlen, Mrs. C. H. Jarrett, Mrs. N. E. McIntire, Mrs. F. E. Savage, Mrs. A. W. Sternenberg, Mrs. T. B. McCarter, Mrs. J. L. Duflot, Mrs. J. S. Humphreys, Mrs. C. A. Murray, Mrs. W. C. Kunze, Mrs. Joe Black, and Mrs. C. D. Wofford.

JUNIOR WOMAN'S CLUB HAS MEETING MONDAY

At the Junior Woman's Club which met Monday afternoon, Mrs. A. H. Prichard gave a very interesting Parliamentary Drill. The book review for the afternoon was "Old Jules" by Mari Sandos, which was given in a very entertaining manner by Mrs. J. D. Barker.

At the business meeting following the program, Mrs. Larry Holman was elected corresponding secretary and Mrs. Lorenzo Wirt was elected critic. The treasurer's report was given by Mrs. J. Madison Daugherty, and Mrs. Dewey M. Foster gave the Federation report.

MRS. F. T. MITCHELL HAS HIGHLAND CLUB

The Highland Home Demonstration Club met at the home of Mrs. F. T. Mitchell last Tuesday afternoon, Oct. 20, with ten members and five visitors present.

Five sponge cakes and two angel food cakes were scored and judged by Miss Allie Dozier.

The next meeting will be held at the home of Mrs. Pearl Nesselroad on Tuesday, Nov. 3. Every member is urged to be present as plans will be made for the Achievement day program which will be Nov. 17th, at the home of Mrs. Elam. Election of officers will also be held.

FIRST BIRTHDAY PARTY FOR CORINNE LASSERS

The first birthday of little Corinne Lassers, daughter of Mr. and Mrs. Leon Lassers, was celebrated Monday with a party given for the little Miss at their home, El Pueblo No. 4.

Little guests invited in to help celebrate the occasion were Jimmy and Eilane Cundiff, Dona Beth Doak, and little "Speedy" Carroll. Mothers were present to help the little tots enjoy the first birthday cake.

Mrs. Landon Joins Campaign Fray

Heat of the presidential campaign, in which her husband is the Republican contender, has drawn Mrs. Alf M. Landon into the fight, but only in Kansas. She is shown here after she spoke in Topeka at the first meeting of the Kansas branch of the Independent Coalition of American Women supporting Governor Landon.

As the Big Guns Boomed Down the Home Stretch

Final days of the presidential campaign found President Roosevelt and Governor Landon, shown here in two characteristic speaking poses, pounding away at the electorate in vigorous fashion. They carried the battle to the finish line and voters from coast to coast turned out in great mass demonstrations to add a color and a zest to the campaign such as had not been known in many years.

Redeem Can Labels Collected by Charitable Organizations

To whom it may concern:

The H. A. Marr Grocery, (wholesale) Amarillo, Texas, make the following offer:

Effective Nov. 1, 1936, and running for ninety days, subject to continuing or discontinuing at the option of The H. A. Marr Grocery, The H. A. Marr Grocery will redeem in cash all Red and White, Marco, and Brimfull labels at ½ cent each. (Except Flav-R-Jell, Marco-Jell, canned milk, spices, and laundry soap). This offer is made available to all charitable organizations, who wish to cooperate and collect labels; and cash them at the first of each month at the H. A. Marr Grocery in Amarillo, Texas.

As a starting point we are making contact with all the churches in each community where these three labels are sold to the retail trade. Everyone knows that our church ladies are always working to raise money for "this or that," so as a contribution to each community in which Red and White, Marco, and Brimfull merchandise is being sold. The Red and White organization has worked out this plan to help these ladies' organizations to raise much needed funds.

Yours truly,
The H. A. Marr Grocery,
Amarillo, Texas.

Representatives of Press Invited For Homecoming

Press Club To Hold Open House For Exes On During Day

Invitations have been extended to all Panhandle newspapermen to attend the annual Homecoming Day celebration here Saturday, Dr. Harris M. Cook, dean of men, announced Friday. Plans are being made to entertain representatives of the press during the day.

Approximately fifty invitations to members of the Panhandle press were mailed last week, Dr. Cook stated.

The Press Club will hold open house in the Publications Office in the Administration Building Saturday, welcoming former staff members of the Prairie and Le Mirage.

Arrangements have been made for a press table to accommodate newspaper representatives during the address of Senator Bennett Champ Clark, prominent national senator from Missouri, who will speak at 10:30 Saturday morning.

Invitations to the press also include complimentary tickets to the annual Homecoming football game between the Buffaloes and the Sul Ross State Teachers College Loboes from Alpine, Dr. Cook revealed.

Prominent among former Prairie staff-members expected to be present for Homecoming Saturday are John McCarty, editor and associate publisher of the Amarillo Daily News and former staff member of The Prairie; and Jerry Malin, sports editor of the Amarillo News and former sports writer on The Prairie staff, who is expected to cover the football game here Saturday afternoon.

Ex-Buffaloes Will Meet on Gridiron at Half Saturday

Ex-students who have played football for W. T. will meet on the gridiron of Buffalo Stadium during the half of the game between the Buffaloes and Sul Ross, Saturday, Homecoming Day.

Mitchell Jones, director of the movement, stated that plans have been made to have at least one representative present from each team in the football history of West Texas State.

Plans have been formulated for the ex-Buffaloes to perform some kind of short stunt in conjunction with the Buffalo Band.

Friendship of King for American Woman Sets All Europe A-Buzz

The evident liking of Britain's King Edward VIII, upper left, for Mrs. Ernest Aldrich Simpson, center, wife of a prominent British ship broker, upper right, is a favorite topic of conversation in Europe's capitals.

LONDON.—Wherever Englishmen gather today, one meaty bit of speculation is sure to flavor the conversation. That is the evident friendship of His Majesty, King Edward VIII, for a former belle of Baltimore society.

Unconventional Edward, it seems, prefers the company of unroyal "Wallie" Simpson, one-time divorcee and wife of a prominent British shipping broker, to the somewhat more stuffy society of the court. And thereby hangs a yarn that has set the gossips a-buzz around the world.

Particularly has the affair stirred European circles. The king first met the witty and sparkling Mrs. Simpson, the former Wallis Warfield, when he was Prince of Wales. She had been the wife of Earl Winfield Spencer, Jr., an American naval officer, was divorced, had used her entree to London society, and was now the wife of Ernest Aldrich Simpson, a Canadian-Briton with a Harvard degree.

* * *

IN a short time both Simpson and his wife became close friends of the dashing prince. The prince liked the scintillating conversation of Mrs. Simpson, "Wallie." Because he found her an expert tango dancer and an ardent gardener, the two immediately discovered much in common.

Thereafter the Simpsons occasionally were seen in the royal box at Covent Garden, and sometimes Mrs. Simpson was seen alone with the heir to the British throne. And there followed many excursions to London theaters, cocktail parties, and restaurants.

At length a somewhat perturbed royal society began to tilt its haughty eyebrows. It was revealed that King George himself did not wholly approve of his son's association with "Wallie." Furthermore, divorced women had always been barred from the court under the rigorous rule of Queen Mary.

A minor sensation was created, therefore, when Mrs. Simpson appeared at the Jubilee ball in Buckingham Palace last year.

* * *

AND then King George died. Edward VIII surely would return to the "old order" which had ruled Buckingham, said the Mayfair gossips.

At least, they hoped that these "unconventional" friends of the new monarch would be kept discreetly in the background, not only in the interests of British caste, but in the interests of substantial British monarchial government.

But they were to be disappointed. King Edward was not his "father's son."

When it came to a choice between tradition and his friends, he chose the friends. And so it happened that British royalty got a real shock one day to note the name of Mr. and Mrs. Simpson in the Court Circular, the exclusive journal of the most exclusive society in the world.

* * *

NOR was this the end. The public appearances of Edward and "Wallie" (without Mr. Simpson) became increasingly frequent. They journeyed, together, with others, to spend week-ends at Fort Belvedere, the beautiful country home of the king, and recently Mrs. Simpson accompanied His Majesty on a lengthy Mediterranean cruise.

Now Simpson is moving into bachelor quarters, while "Wallie" has taken over a new house in Cumberland Gate, near Buckingham Palace. The former Bryanston Court apartments of the Simpsons, where Edward was often guest, are said to be up for rent.

Recently Queen Mary ended 25 years of official residence in Buckingham Palace and repaired to Marlborough House for the remainder of her widowed days. Promptly British society buzzed over the possibility that Mrs. Simpson might become the unofficial hostess of the palace, serving at the informal and delightful little dinner parties that the king so liked to give.

Campus Red-heads Organize Exclusive Club

"We are out for fun. Our membership will be doubled, regardless of the secret initiations," Miss Billie Ruth King declared in regard to the organization of red-heads on the campus into a full-fledged club.

Miss King suggested organizing the club several days ago and immediately began interviewing the "sorrel-topped" students. She found them "for it 100 per cent."

Twenty-eight students are charter members, and others are expected to join soon. It has been estimated that not more than half of the college red-heads are members of the club.

A committee met later in the week and drafted a constitution.

Buffaloes Show Themselves Gentlemen

Coach Baggett received a letter recently from the assistant manager of the Franciscan Hotel, headquarters of the Buffaloes while in Albuquerque for the game with the University of New Mexico, Oct. 10.

The letter is as follows: "Just a note to express our appreciation for your having brought the most gentlemanly group of football players ever to have stayed at the 'Franciscan.'

"We hope that the accommodations and service they received while with us were entirely satisfactory, and that the men were both comfortable and happy.

"We shall, indeed, look forward to having the pleasure of serving you and your team whenever you return to Albuquerque."

Tennis Squad To Encounter NMMI Cadets Thursday

Off to a flying start with an easy win over the Panhandle Aggies, the West Texas netters were forced to postpone their scheduled match with the N. M. M. I. Cadets last Saturday to Thursday of this week at the Roswell school. On Homecoming Day, the Texas Tech Matadors of Lubbock furnish the opposition for the initial home match of the season.

Commanding a 4-3 win over the Buffs last year, the Cadet strokers will be a slight favorite to repeat their last year's feat. Hubert Guy and Ralph Lacy, winners of the New Mexico Intercollegiate crown last year, pace the military team that has not lost a match in the last two years. Those making the trip from Canyon are Norton Curry, Darrell Hemphill, George Smalley and Glyndon Riley.

Texas Tech's guns are paced by the consistent strokes of Harry Jordan, last year a conqueror of Curry and Smalley. Other lettermen returning that routed the locals are H. A. Bozeman and Henry McCarty.

Hill Addresses Superintendents' Meeting Saturday

Pres. J. A. Hill delivered an address on "Character Building" to the first meeting this school year of the Panhandle-Plains Superintendents Association Saturday at Plainview.

Dr. Hill stressed the point that character building is the fundamental problem of education. "The ultimate outcome of education is revealed in character."

Almost 100 superintendents, principals, and school executives were present.

Dr. A. W. Evans head of the education department of Texas Technological College, Lubbock, represented Dr. Bradford Knapp who was to have spoken. Dr. Evans discussed the recent trends of education in Texas and the nation.

H. P. Webb of Olton, president of the association, presided.

The next session is to be held at Amarillo, Jan. 16. The last meeting of the year will be at Pampa, May 1.

Supt. Irby Carruth was a member of the committee to arrange the program for Saturday's meeting.

THE EAGLE'S TALE

See You At P. T. A. Carnival

VOL. NO. 11. CANYON, TEXAS, OCTOBER 29, 1936. NUMBER 7

Whatta country! It shore looks like we're gonna have plenty of snow, starting in so soon. Shore will be good for these farmers what's needin' it.

I sure am sorry about that hard luck you had last Friday night at the game, Jack; but anybody with as strong constitution as old C. H. S. Captain Jack has got will be back in a few days. How about it Captain?

We'll all try to come to see you, but you know how these kids are for cars. Just about one car to every twenty kids. But just you keep on smiling and it won't be long before you'll be back at school.

Gee-whiz, Lillian, you shore are being rushed. Joe Gill and Jimmie Pope are taking it turn about this year, I see.

The Eagles had a little hard luck, but I'm sure they'd a done better if it hadn't been so cold. There shore wuz a lot of people out for the game; and if you Eagles don't beat them Happy Jacks, I'm gonna lose a bunch of cokes. I know that Happy Jacks are stubborn sometimes and hard to move, but we're expecting you to win.

Them Eaglettes shore are working. Say, lissen, gals, old Mirah and I'll be right there at every game and we're gonna expect you to win a bunch of games.

Say kids, you remember ole George Terry, our past principal? Well, I just heard where he is practicing law in Dallas. More power to you, George.

Lissen, boys, a little advise from one who's been thru it all, gargle two or three bottles of Listerine before going to see your girls; and by all means leave your garlic at home.

All you young guys who have been saving your pennies, be sure and come to the big P. T. A. Carnival tonight at the high school. I've saved a little chicken feed, just enough for Mirah and me to buy a hamburger and see the stunts.

Them students shore are working to put their man over fer student council president. Luck to the best candy date. By the way, Calliham and old honest Kate sure did run a close race t'other day for candidate for the Liberals.

You know there's been a lot bothering me, for instance Luke, a senior, is going around with a seventh-grader. But why should I worry; lotsa of people like me make themselves sick worrying over other people's business. Any way, I shore am glad to see you high school boys stepping out.

Now, lissen, you kids, any time you want any advice just call on

Your old side kick,
Cactus Cal.

FUN AND THEN SOME

Come on, folks! It will be a lot of fun. Besides, from all the talk, the booths will be more interesting and more beautiful this year than they were last year. What are we talking about? Why, the P. T. A. Carnival Thursday night, of course.

The P. T. A. needs the money; and, it's fun to know you are helping, yet having a good time yourself at little expense.

There will be a prize given for the best stunt and also a prize will be given to the booth that brings in the most money.

The money obtained will be spent by the P. T. A. for the benefit of the school.

STUDY HALL?

How many of the students really study when they go to the study hall? There are very few who do. They yawn, shuffle their feet, squirm in their seats, and keep asking their neighbor about the time.

"Oh, this is the longest period of the day," they say. What we need is students who really want to study. What is the study hall for? To throw paper wads and giggle behind books about some little thing that amounts to nothing? No; it is for studying. When the teacher disappears, what a noise; it sounds as if someone had turned loose a swarm of bees.

Boys and girls, let's get down to work and show these teachers just what we can do. The teachers need the co-operation, they will give us theirs.

Conservative Party Holds National Convention Mon.

The Conservative party held its national convention last Monday in the high school auditorium, at which time the Conservative candidate for the student council presidency was elected.

Lavert Avent was the temporary chairman, who was replaced by John B. Pope, elected by the delegates. Nominations were made by states. The campaign managers nominated their candidates as follows: Lillian Chambers nominated C. L. Drummond; Willard Childers nominated Billy Louise Greenfield, and Jean Slack nominated Mildred Shuman. The Canyon High School Band also played at the Conservative convention, while boosters paraded around the auditorium waving banners and posters. Votes were taken by states.

C. L. Drummond was elected on the first ballot and consequently is to represent the Conservative party in the election.

The Conservative platform has the following main points: to co-operate with all civic organizations, to promote another "Play Day," to co-operate with the athletic council, to make it possible for every boy and girl to engage in an extra-curricular activity, to promote an all-school social, and to co-operate with the school to make a more harmonious and efficient school organization.

Both parties will try to bring the "uneducated masses" to their party by campaign speeches and "ballyhoo."

After the acceptance speech, the meeting was adjourned.

Junior Class Given Hallowe'en Party

The Junior class will be entertained Friday evening at 8 o'clock by Margaret Stewart with a Hallowe'en party at the Palo Duro Club ground. The group will meet at the home of Mrs. Burt Newlin, room mother, and leave from there for the club grounds.

Those appointed to serve on the program committee are as follows: Margaret Stewart, chairman, and Mary Horn, Lillian Chambers, and Donald Wilkinson. Those on the refreshment committee are Shirley Ann Oliver, chairman, with Lula Marie Ellison and Lucille Crowley.

Members of the high school faculty have been invited to attend the party.

BOOK REVIEW

Those who have read "Marbaca" will also be interested in one of Lagerlof's delightful novels, "The King of the Lowenskolds." Selma Lagerlof is a Norwegian, one of the better writers of today. Her books have been translated into English and have given as much pleasure here as abroad.

This book tells of the mysterious happenings brought about by a priceless ring, a gift from a Norwegian king, belonging to Captain Lowenskold. A love story is also woven into the plot.

The superb charm of Charlotte Lowenskold, her wit, sympathy, strength of character, all serve to hold your interest in her love affairs with Kare Arthur Eckenstoldt. Her trials and triumphs are set in a background of picturesque Norwegian life at a time when there was much superstition among the simple country peoples, and lines of social distinction were finally drawn by the upper strata of society.

EX-STUDENT DAY SET FOR FRIDAY, NOV. 6

Plans are being made for Ex-student Day, Friday, Nov. 6.

Burney Slack, president; Clarence Thompson, vice president; Loura Fern Brian, secretary, and Ruth Greenfield, representative of the Canyon High School faculty, will meet and make definite plans.

The annual banquet will be held at 7:30 at the Presbyterian Church.

Faculty members who are ex-students are Miss Virginia Jarrett, Miss Ruth Greenfield, Mrs. John Davis, Miss Gwendolyn Black, and Mr. Milton Sanders.

Eagles Lose Mud Game To Tulia Hornets

The Tulia Hornets defeated the Canyon Eagles 13-0 last Friday night on a slippery field before the frigid spectators at Buffalo Field.

Beginning the gridiron battle, the Hornets kicked to the Eagles. The ball was killed by Tulia. After making two first downs, the Eagles were forced to punt, the ball going out of bounds at the twenty-five yard line. Few yards were gained by the Hornets before they gave the Eagles a surprise punt, which was good for about thirty-five yards. Neither team scored in the first quarter.

"Big Bot" Rusk received the ball from center on his own ten yard line and dashed down to Tulia's forty yard line where he was stung hard by a Hornet. The Eagles slid, passed and plunged their way to the Hornets' twenty yard line, where they were unable to make the ten in four.

Tulia brought the ball back to the Eagles' forty yard line, before the Eagles forced them to punt. The punt rolled to the Eagles' four yard line. The ball was so muddy Miller was unable to get off a good kick. The ball went out of bounds on the five-yard line. Three plays gave the Hornets a pay day. The kick was not any good, and the score at the half was Tulia 6, Canyon 0.

Tulia came back in the first part of the second half and scored again on another bad kick. The extra point was good, making Tulia 13, and Canyon 0 at the third quarter. The Eagles received the kick, which was returned eight yards. The Eagles tried a series of passes, which took them to the Tulia forty yard line where they lost the ball. Tulia was unable to make first down. The punt carried to the seven yard line. Again a series of passes were thrown but for no gain. A Hornet intercepted one of the passes and was struck down by a group of Eagles. Tulia gained to the six yard line, where the final whistle was blown.

Black Cats Haunt Merrymakers

Yeow-w-! Crash-bang blooey! And the would-be-flower pot dumper settled into the hedge. And sure enough, a ghost comes running around the corner of the house with a grin.

"What," you ask me, "A ghost with a grin? Impossible." Well, it was just a young prankster with his mother's sheet over his head.

Let's look into the house across the street, where a party is on. The radio is blaring forth dance music, people being deafened with the blare of horns, a streamer around their neck, and their feet caught in the mass of red, green, yellow and purple streamers on the floor. A push-a-ma-pully hits you in the face and a feather on the end tickles your nose. In the next room, some poor fellah is trying to get an apple out of a tub with his teeth, and some one else is getting his fortune told.

Yep! It's a season of fun, prankish jokes, black cats and ghosts. Confetti and streamers gone wild in the hands of crazy high school students—Hallowe'en is with us once more.

HOME EC. CLASS PICNICS AT ELWOOD PARK

The third-year Home Ec. class took their supper to Elwood Park in Amarillo Monday afternoon.

The supper consisted of the following menu: Pot-deluxe stew, deviled eggs, potato chips, pickles, buns, a dessert of "Somermous," and a beverage.

After the supper was served they went to a show.

The following girls went: Margaret Stewart, Beulah Brasuel, Obera Burgan, Lula Marie Ellison, Viola Dooley, Mildred Shuman and Hardine Rogge. Miss Fannie Sue Brasuel, teacher of the class, and Mrs. Carol Dooley took their cars.

BONFIRE AND RALLY HELD IN SNOW

The warmth of the bonfire last Thursday night was welcomed by students of Canyon High School who braved the snow and wind to come to the Pep Rally.

The group circled around the fire, singing pep songs and giving yells. The pep leaders led the group in these.

When the fire was going out, the school song was sung.

A pretty night was picked, the snow falling and the fire sparkling giving an excellent feeling for school spirit.

Mary Collins (to fresh drug store clerk): "Got any Lifebuoy?"

Fresh drug store clerk: "Set the pace, gal, set the pace."

Hallowe'en Carnival Brings Midway To Canyon

Hamburgers, hot dogs, pie! Coffee, right over this way.

How can she live? Come and see her, poor little girl.

Sideshows, stunts, and eating booths in the high school auditorium tonight.

At 7:30 tonight the P. T. A. will open with six booths, and the choice of many places to eat. At the close of the booths, the carnival queen will be crowned.

Organizations of the town and high school will present various stunts in the auditorium. The stunts will be exciting, thrilling, and colorful.

Prizes will be given the organization putting over the best stunt. And the booths bringing in the most money will get a prize also.

Everything and everybody, bring your nickles and dimes and come to the big P. T. A. Carnival tonight, and have the time of your life.

Fifth grade: Shirley Harrell, John James Harter, Wendell Morrissett, Dick Woods, and Roger Dugan.

Sixth grade: James Thomts Harp, James Sharman, Clarence Thompson, Mary Dell Johnson, Anna Lee Newlin, and Sarah Slack.

Peppers Entertain Tulia and Eagles

Honoring the visiting Hornets, Tulia pep squad, supporters of the Tulia team, and the Eagles, the pep squad entertained the Eagles Friday night after the Tulia-Canyon game. The entertainment was held in the high school gymnasium at 10 o'clock.

Anita Wilkins, pep leader from Tulia, an Mary Collins, chairman of the reception committee, introduced each person as he entered the door. The program consisted of a song "All American Girl," sung by the high school quartet, composed of Betty Ruth Solomon, Kate Donnell, Carolyn Mayfield, and Evelyn Cluck; a tap dance by Carolyn Mayfield and Betty Ruth Solomon, and introductions by Renna Beth Bellah, chairman of the program committee. Kate Donnell, president of the pep squad, gave the welcome. A picnic lunch of pimiento cheese sandwiches, pickles, potato chips, cookies, and lemonade was served cafeteria style. The gym was decorated in maroon and white, and purple and white streamers, with a hornet and an eagle drawn on pasteboard placed on each goal post.

FOOTBALL SCHEDULE

Oct. 30, Happy at Canyon.
Nov. 6, Dalhart at Dalhart.
Nov. 13, Hereford at Hereford.

Liberal Party Holds Their National Convention Wed.

The Liberal party held its National Convention last Wednesday in the auditorium amongst cheers from the floor and jeers from the balcony.

Betty Ruth Solomon, the temporary chairman, was replaced by Mary Collins, elected by the delegates. Marielle Oldham was the secretary. The roll was called by the states. Reports were taken from the credential and resolutions committees, and the nominations for the election of the candidates started. The campaign managers named their nominees, as follows: Carolyn Mayfield nominated Kate Donnell; Prentice McKee nominated Melvin Calliham; and James Pope nominated Sherman Higdon. After the votes were counted, it was necessary to vote over several times because of ties between Melvin Calliham and Kate Donnell. The former finally won and consequently had to make an acceptance speech.

The Liberal platform is practically identical with that of the Conservatives, the main issues being to co-operate with all civic organizations of the school, to support the athletic council in every way possible, to arrange for an extra-curricular subject for every boy and girl in high school, and to co-operate with the school to make a more efficient and harmonious school organization.

The Canyon High School Band played after each nomination, and boosters paraded around the auditorium, flourishing posters and banners.

After the acceptance speech, the meeting was adjourned.

Junior Class Heads First Period Honor Roll

The Junior class heads the high school honor roll the first six weeks, placing six members, or 15.5 per cent, of the class on the honor roll.

The seniors and the seventh grade tied for second place, having 13 per cent each. There are eight seventh graders and six seniors. The freshmen placed third with four, or nine percent. Last are the sophomores, placing one, or two percent.

The honor roll is as follows:

5 A's: James Pope, Grant Sharman, Martha Frances Campbell and Betty Guthrie.

4 A's: Sarah Thompson.

3 A's: C. L. Drummond.

3 A's and 1 B: Natalie Flesher, John B. Pope, and Alvin Henry Kuhlman.

3 A's, 2 B's: Wanda Brock.

1 A, 1 B: Pauline Harris.

1 A, 4 B's: Carl Small and Annie May Spencer.

4 B's: Gertrude Miller and Mary Catherine Wirt.

Gridiron Gossip

By Bulldog

The football boys missed practice Thursday afternoon because of the first snow of the season. They were out of school at 3 o'clock. Snow came flying in the journalism room. I don't know who threw it, but the journalists retreated and had a civil war.

Do you realize that this year's football season is more than half over? Let us review the games of this year. First, we played Lefors, a hard-fought battle with a score of 0-0. Next we played Panhandle and were defeated. Following that, we played Perryton, which is one of the toughest Class B teams in the state. We lost by only one point, 12-13. We played Dimmitt, which was our first conference game, the score ending 26-0 in our favor. Week before last we played Claude and were beaten by the small margin of 14-9. Last week we were beaten by the Tulia Hornets, 13-0, in the second conference game of the season.

We have three more games. What will the scores of these games be: Happy ____, Canyon ____; Dalhart ____, Canyon ____: Hereford ____, Canyon ____?

R. E. Prichard, sports critic from C. H. S., who states he hasn't missed an Eagle game in three years, filled the blanks in this way: Happy 0, Canyon 7; Dalhart 6, Canyon 21; Hereford 6, Canyon 14.

Prentis McKee filled them as follows: Happy 6, Canyon 12; Dalhart 14; Canyon 19; Hereford 6, Canyon 7.

Fill out the blanks in this paper; see if you can name the scores of our last three games.

Jack Middleton, Eagle captain, was injured with a ruptured lung in the game Friday night and it is probable that he won't be able to play any more this season. This probably did and will weaken the Eagles team in the Tulia game, as well as in the games with Happy, Dalhart, and Hereford.

BOOK RECEIVED FROM BELGIAN CONGO

"The Jungle Log," a booklet written by the high school students of Central School in the American Presbyterian Mission in the Belgian Congo, was received for the library last Monday.

Miss Flora Foreman, a mission nurse from Amarillo who is now in the Congo, set it. The booklet contains stories and essays of life in the mission.

THE THOUGHT OF THE WEEK

Sound education, like character, is made up of many important small elements. If you are negligent in laying its foundation stones you cannot hope to escape the consequences of such short-sightedness.

Spanish Revolution In Class Room

Zip! Bang! Boom! Buzzzz!

"Duck, or you'll get hit!"

"Hey, you better watch out or they'll hit you!"

"Hit him!"

"Ouch, I'm going to murder you for that."

No, this is not a story of the revolution in Spain nor a review of the World War. It is only a snow-ball war in C. H. S. The journalism students were at the windows. They opened them and pounded the football boys back into shelter. Gaining control from the sudden attack, the football boys gave a volley of snow balls that made the journalists close the windows. Then they looked out and taunted the football boys, who threw volley after volley against the closed windows. Tsk, tsk, very foolish.

A snowy civil war soon broke out among the members of the journalism class, Captain Sam Robinson doing the advancing and Sergeant J. C. Bellah retreating rapidly. (I think J. C. was wounded in the eye, by the way he was acting.)

The battle was soon stopped by the peace promoter, (namely, the teacher), who at that stage of the war walked onto the snow-filled battle grounds. When she requested some of the "gentlemen" in the room to clean up the carnage, every boy in the room rushed to the task. Tsk, tsk! How strange.

HALLOWE'EN PARTY GIVEN FOR GRADE 6A

Fortune-telling, clap-in-and-clap-out, pinning on the cat's tail, ridiculous handkerchief, and postoffice were games played at the Hallowe'en party for Grade 6A at the home of Mrs. Burt Newlin last Tuesday evening at 7:30.

Those who planned the games were Gordon Lynn Dickerson, Wilma Dickerson, and Jack Brian. Clarence Thompson and James Sharman decorated for the party.

Refreshments of pop corn balls, apples, hot chocolate, and cookies were served by Dorothy Anderson, Mary Dell Johnston, Eula Hammond, and Anna Lee Newlin.

JUNIOR HOMEMAKERS MEET TUESDAY

Junior homemakers will meet Tuesday at noon and twice a month hereafter. Each girl will bring her lunch, and the social committee will serve a hot drink.

The Homemakers will discuss the Mother-Daughter banquet, a booth for the carnival, and the year's program.

Canyon and Happy Will Battle In Conference Game

Who: Canyon Eagles and Happy Cowboys.

What: Football game.

When: Friday afternoon at 3:00 o'clock.

Where: At Buffalo Field, Canyon.

After dropping a heart-breaking 13-0 tilt to the Tulia hornets, the Eagles are out for sweet revenge next Friday against Happy.

Happy has been defeated once this season by the Hereford White Faces. The Eagles have lost to Tulia; so the loser of the game Friday is definitely out of the conference race. The Eagles, despite the loss of Captain Jack Middleton, are very earnest in respect to the coming game. There is a grim determination to win settled in the minds of the Eagles.

Herschel Burrus was injured in the Tulia game, but is expected to be ready to go against Happy. It is not known who will captain the team in the place of Jack Middleton.

The probable starting line-up:

M. Calliham, r. e.	135	30
J. Carr, r. t.	145	38
O. Miller, r. g.	135	42
J. Pope, c.	135	39
H. Mariner, l. g.	150	32
H. Burrus, l. t.	150	37
D. Brasuel, l. e.	150	35
C. L. Drummond, q. b.	135	31
J. Gill, r. h.	145	33
D. A. Butler, f. b.	140	41

Hickman Speaks To P. T. A.

"Friendliness as Related to Character Building" was the subject discussed by Miss Hellen Hickman, at the Parent-Teacher meeting held last Thursday evening in the high school auditorium.

"Friendliness as a word means very little; it must be related to service," she stated. She also declared that friendliness, above everything else, should be practiced in the home, for the benefit of the growing children and the grown people also.

The devotional was given by Miss Helen Lyles. Mrs. Dan Sanders, president of the organization, had charge of the short business meeting; and Mrs. I. B. Carruth, program chairman, was in charge of the program.

The date for the next meeting was set for Monday evening, Nov. 23, as the regular meeting would conflict with the Thanksgiving holidays.

Sophs Celebrate Hallowe'en

Sophomores celebrated Hallowe'en with a party Monday evening at 7:30 o'clock in the gymnasium.

The social chairman, Eston Breitling, appointed Renna Beth Bellah, D. A. Butler, and Joe Gill to make general arrangements for the party. Ruth Gill, Juanita Bible, Geraldine Hart, Charlotte Beth Henderson, Betty Jo Black, and Hazel Sanders planned the games.

The refreshments and decorations carried out the Hallowe'en color scheme of black and orange. The refreshments were prepared by the class sponsor, Miss Grace Clark.

Father: "Lillian, why were you kept after school?"

Lillian: "I didn't know where the Ozarks were."

Father: Well, remember where you put things hereafter."

Dorothy Warwick, junior, spent Saturday in Lubbock.

Jack Inman and Billy Sternenberg visited Mr. Howard Batchelder, coach of Dimmitt High School, Sunday afternoon.

Miss Brasuel: "Mabry, what is Modernistic Art?"

Mabry: "It's something that proves things are not as bad as they can be painted."

VOTE!

NOVEMBER 3, 1936

The safety of this government depends upon the interest taken in the government by those who are governed. The government can be no better or more efficient than the stockholder's interest in its welfare, and the activity they show in those who hold public office.

Go to the polls next Tuesday, November 3. Express your choice for President of the United States; for Governor of Texas; and for all other state officials in the state, the county and the precincts. And by all means, vote upon the six constitutional amendmens on the ballot.

While the sponsors of this page are business and professional firms in Canyon and are not dictating as to how you shall vote, we believe that in the interest of good government, of better business, of a more intelligent citizenship, it is the duty of every citizen to cast his vote on November 3rd.

Buffs Cavort To 26-0 Victory Over Rangers Friday at Alva

Baggett Makes Numerous Substitutions; Team Undefeated

Before a homecoming crowd of 4500, the West Texas Buffaloes cavorted and pranced around the Rangers of Northwestern (Okla.) Teachers to tuck away an easy 26 to 0 win at Newby Field, in Alva, Okla., Friday night.

In spoiling the year's gridiron highlight for the Sooner school, the Buffs piled up their sixth straight win to remain on the list of the nation's undefeated elevens. By scoring in every canto, the debacle was never in doubt as Coach Baggett employed 27 men, pouring in substitutions at random.

Slack Scores First

West Texas counted in the first three minutes of play when Slack, galloping right half, snared Gibson's pass on the 50, and returned to the 30. "Flinging Foster" Watkins clicked with a forward to "Colossus" Toby Waggoner for a 17 yard pickup. Slack scooted across for the counter from the 13. Dow converted from placement.

Another touchdown was made in the initial period via the airway when Watkins flipped another to Waggoner, but officials ruled that Watkins was not five yards behind the scrimmage line. F. A. Thomas was instrumental in the second quarter score by sidestepping for two long gains to place the ball inside the 10. The dauntless Butler punched the line for the counter. Walling's educated toe furnished the extra point.

Lyde Stands Out

Running plays, featuring the aggressive Butler, opened the path for Slack to twist 15 yards for the third score in the first two minutes of play in the second half. Blake Lyde, fleet 175 pound bundle from Childress, replaced Slack in the last go-round, and took matters in his own hands to account for the last score. Pounding the line for numerous short gains, Lyde received his reward when he circled the Alva right end to score standing up with one minute and 30 seconds to play.

Northwestern's lone chance to score presented itself in the early minutes of the fourth quarter when the Buff safety, fumbled a punt on on the Buffs' 16. A 5-yard penalty placed the leather on the 11 where the forward wall exhibited its stubborness to hold for downs.

Desperately the Rangers contrived to corral the Buffaloes and impress the disheartened spectators but their galloping flurries bogged down under the vicious defensive work of Captain Leo Jackson, Johnson, Walling and Horton.

LOCAL TEACHERS VISIT EL PASO AND JUAREZ

Dr. Hattie M. Anderson, professor of history, and Miss Isabel Robinson of the art department, accompanied by Mrs. L. G. Conner, made a brief trip this week-end to El Paso, including a sight-seeing tour through Juarez in Old Mexico.

The party left Canyon Friday afternoon, and returned late Sunday.

With some people charity is merely a fad, but it's a lot better than some others.

Beware The Cough

From a common cold

That Hangs On

No matter how many medicines you have tried for your cough, chest cold or bronchial irritation, you can get relief now with Creomulsion. Creomulsion not only contains the soothing elements common to many remedies; such as, Syrup of White Pine Compound with Tar, fluid extract of Licorice Root, fluid extract of Wild Cherry and Menthol, but also has fluid extract of Ipecac for its powerful phlegm loosening effect, fluid extract of Cascara for its mild laxative effect and, most important of all, Beechwood Creosote is perfectly blended with all of these to reach the source of the trouble from the inside. Creomulsion can be taken frequently and continuously by adults and children with remarkable results.

Thousands of doctors use Creomulsion in their own families as well as in their practice knowing how Creomulsion aids nature to soothe the inflamed membranes and heal the irritated tissues as the germ-laden phlegm is loosened and expelled. Druggists also know the effectiveness of Beechwood Creosote and they rank Creomulsion top for coughs because you get a real dose of Creosote in Creomulsion, emulsified so that it is palatable, digestible and potent for going to the very seat of the trouble.

Creomulsion is guaranteed satisfactory in the treatment of coughs, chest colds and bronchial irritations and especially those stubborn ones that start with a common cold and hang on for dreadful days and nights thereafter. Even if other remedies have failed, your druggist is authorized to guarantee Creomulsion and to refund every cent of your money if you are not satisfied with results from the very first bottle. Don't worry through another sleepless night—phone or go get a bottle of Creomulsion right now. (Adv.)

OIL-PLATING DONE HERE

CONOCO

(BUT BE SURE YOU READ ALL THE OTHER WINTER OIL ADS, TOO)

You will find most of the emphasis these days, on oil that flows freely.

Well and good. You SHOULD use your correct Winter grade, but... You can see that the more freely any oil flows, the more freely it FLOWS DOWN OFF the pistons, cylinders, and other parts when you stop.

Then in starting up cold, where is mere free-flowing oil?

It is waiting to be pumped up on the job. And even in much warmer weather than this—according to engineering opinion—those oil-starved waits can cost you more engine wear than all the rest of your driving!

But this Winter with free-flowing Germ Processed oil, you can have your engine *Oil-Plated!* ... much more than a change to OUR Conoco Germ Processed oil... really a change to unbroken Winter lubrication for YOUR engine. It may stand cold for hours—days—weeks. Yet the slippy *Oil-Plating* formed only by patented Germ Processed oil, will always be UP IN ADVANCE. Pistons slip easy. Starter spins. *Oil-Plated* engine obliges—and lives the good life, on a stingy diet of Conoco Germ Processed oil. Continental Oil Company

Contributions To Assist Roosevelt Are Still Needed

Democrats Are Asked To Make Donations Before Monday; List Is Given to Press

An urgent call came from state headquarters at Austin yesterday asking that Randall county complete the quota of $404 which was assessed at the opening of the national campaign. According to information received, the National Committee will end the campaign Monday night with a large deficit, which it hopes will be absorbed by the donations which are made this week.

Up to Monday, a total of $102.05 had been forwarded to the state treasurer by Clyde Warwick, county chairman.

Donations will continue to be received, and it is urged that those who wish to make payments shall see Mr. Warwick, Guy Harp, or Levi Cole before the end of the week.

The following have been reported to make donations on the Roosevelt campaign:

W. S. Amend, W. J. Hinkle, Levi Cole, Dr. R. A. Neblett, M. C. Sanders, C. R. Burrow, Clyde Warwick, W. C. Black, Miss Mary Morgan Brown, R. H. Wright, A. B. Holt, George E. Mason, Lee Johnson.

but these are the only district candidates whose names are printed on the ballots.

No opponents have been entered against the candidates named for county offices in the Democratic primaries this year.

Constitutional Amendments

At the bottom of the ballots are printed the six constitutional amendments which were submitted by the legislature to the people.

The first amendment provides for a state dispensary system for liquor.

The second provides for the establishment of a retirement fund for teachers after they have engaged in the profession for 20 years.

The third provides for workmen's compensation for state employees.

The fourth amendment would limit the pardoning powers of the Governor and transfer this power to a Board of Pardons and Paroles.

The fifth would increase the salaries of the Governor, Attorney General, Comptroller, Treasurer, Land Commissioner, and Secretary of State.

The sixth amendment would limit the number of State Representatives in the large counties of the state.

Fifty-six absentee votes were cast up to yesterday. Friday will be the last day on which absentee ballots may be cast.

Excavation Project Is Approved WPA Covering the Plans

A Paleontological project which will cover the entire Panhandle of Texas has been authorized by the WPA with the West Texas State Teachers College as its sponsor. The work will be in charge of Prof. C. Stuart Johnston of the department of Archaeology and Paleontology of the College.

The work will begin as soon as arrangements can be completed, the first excavations to be in the fossil fields of Donley and Randall counties which are already somewhat developed. It is expected that the work will go on for at least four months.

The valuable materials which are collected through this project will become the property of the Panhandle-Plains Historical Society Museum, and three students who are attending college through NYA aid will help prepare them for exhibition. These students are Wayne Christian, Memphis; Malcolm Bull, Canyon; and Carl Goettsche, Higgins.

Mr. Johnston states that it is a part of his plan to exchange duplicate materials with other museums, thus adding to the value of local collections. Small loan exhibits to be placed in schools interested in paleontology are included in plans of the Museum.

Dr. R. Thomsen Tells of Strife, Jews and Arabs

Dr. R. Thomsen of Amarillo, spoke Tuesday at the luncheon of the Rotary Club. He was brought to the club by the International Relations Committee, and was introduced by Rev. Chas. Dickey.

Dr. Thomsen recently made a trip through the Holy Land, making a study of the history of the countries, and taking photographs of the people. He gave an illustrated talk upon conditions as he found them.

The Jews were traced from Egypt where he began his study through the various periods of their interesting history, and the influences which had been exerted upon the people.

Rotarians voted this one of the most interesting and educational talks ever heard by the club.

Harris M. Cook invited all club members and citizens of Canyon to attend the Homecoming program to be held at W. T. on Saturday.

Coach Al Baggett invited citizens to the football game at 2:30 to see the Buffaloes in action. This team is the only undefeated and untied team in the state of Texas.

attend the football game, so Prof. L. F. Sheffy and his assistants have made arrangements to have the Museum open until six o'clock on Saturday. There are many new exhibits, including an art exhibit showing modern art trends, and new fossil groups.

The football game will be called at 2:30 so that it will be over before the late afternoon becomes chilly; present indications are that the largest crowd which has ever attended a game here will be in the Stadium Saturday afternoon.

Many To Assist

The entire town has contributed to make the Homecoming and Mothers' and Dads' Day a success. The Chamber of Commerce has furnished programs for the out of town visitors. The State Highway department is assigning extra men to the roads leading into Canyon so that a safe day may be enjoyed. W. T. Taylor, manager of Palo Duro State Park concessions is furnishing a public address system to add to the facilities which the college already has. The Burrow Lumber Company has assisted in the erection of the outdoor stage which will be used in connection with the morning program. The Public School faculty will assist in the reception in the Administration Building from nine to ten, and the High School Pep Squad and Drum Corps will furnish entertainment before the Champ Clark speech.

Practically every business house and a large majority of the homes of the town are helping in some way to make the day one to be remembered by the visitors. One business man said, "The better time people have when they come to Canyon for a day like Homecoming, the more likely they are to come back to live or to attend college."

Faculty Assignments

Dr. Harris M. Cook is chairman of the faculty committee which has been in charge of the plans for Saturday. Working with him on the main committee have been Miss Ruth Cross, Miss Ada V. Clark, Mr. Mitchell Jones, Miss Ruth Lowes, and Mr. T. M. Moore.

Every member of the faculty is working in some capacity in connection with the day's program, most of them being on duty practically all day Saturday. Members of the senior class and of several other organizations are assisting as ushers, helpers at the barbecue, conductors of inspection trips, and hosts and hostesses in the buildings.

P. T. A. Carnival tonight at 7:30 at the high school.
